

# I have my CTEP Person ID; but, I need to register as an IVR, NPIVR, or AP. What next?

- Access NCI [Registration and Credential Repository \(RCR\)](#)
  - Enter IAM Username and Password
  - To change your Registration Type, select “Change Registration Type” from “Would you like to” menu
  - To begin registering as your selected “Registration Type”, select “Update FDA Form 1572” [for Investigator (IVR) or Non-Physician Investigator (NPIVR)] or “Update NCI Biosketch” [for Associate Plus (AP)] from the “Would you like to” menu
  - Follow the onscreen prompts to complete your profile, generate and sign your documents, and submit your registration packet to CTEP
