How can the Community help?

Tell us what questions you have with CTCAE v5.0!

-What is confusing?

-What is missing?

-What is present and not needed?

-What do you want changed?

All issues/change requests will be reviewed by the CTCAE Core Committee.

Submitters will be added to the v6.0 Draft Review email list
- You are not obligated to review.

Send change requests by October 30, 2020 to: **ncictcaecomments@mail.nih.gov**

Examples to get you started:

- I need to report xxxx, but I can't find it in the CTCAE.

- Please clarify the grading for grade x in term Xxxx.

- Xxxxx could be reported using term Xxxx or term Xxxx, which is appropriate?

- One thing we cannot change (so don't ask):

  - Term placement within a particular SOC. CTCAE uses the Primary SOC designation within MedDRA.
